Regular Program – High Fee

Online Degree – Low Fee

Is This You?

From where you are to where you want to be — we've got you covered.

- **Working Professionals**
 - You've got busy schedule? Study in free hours & upgrade career without leaving job. Earn a credible degree without leaving service — ideal for career growth and future promotions.
- **Fresh Graduates or Students**
 - Start strong with a job-ready degree that helps you get hired faster and stand out in the market.
- **Job Seekers or Career Changers**
 - You're looking to get a higher paying job. Build in-demand industry-relevant skills, switch fields, make yourself more employable.
- **Entrepreneurs or Business Owners**
 - Get knowledge, fresh tools, and expert advice to grow your venture and take smarter decisions.
- **Homemakers & Work From Home Parents**
 - Study from home, at your pace — while managing your family or work-from-home life.
- **Army & Paramilitary Personnel**
 - Frequent transfers? Our mobile-friendly programs move with you — uninterrupted education.
- **Aspirants Preparing for Competition Exams**
 - Minimal pressure, maximum flexibility — earn your degree while focusing on competition prep.

Why Choose Online Education Mode?

- **Comfort & Convenience**
 - No Physical attendance required. Study comfortably from anywhere. Without facing issues of weather, traffic, long-distance.
- **Flexible Scheduling & Better Time Management**
 - Learn when it suits you best — access recorded classes anytime and attend live sessions on weekends or evenings.
- **Cost-Effective & Economical**
 - No travel or hostel costs, no costly textbooks — just quality education at affordable fees with easy EMI options.
- **No Travel for Exams**
 - Write proctored online exams from home — safe, simple, and travel-free, even during heavy rains or remote stays.
- **Learn at Your Own Pace**
 - Play, pause, and repeat lectures as often as needed — until you fully understand each topic.
- **Suitable for Diverse Learners**
 - Suitable for learners with varied orientations, emotional states, educational backgrounds.

About SGT University

Ranked Among the World's Top Universities

SGT University (SGTU), Delhi-NCR is a NAAC A+ accredited, UGC-recognized institution globally certified for offering the best quality education.  - Easy-to-use online classes and recordings let you study whenever you have time, fitting easily into your busy life.
- **High Completion Rate - Learners Graduate On Time**
 - Continuous academic support for effective learning, majority learners complete their programs successfully & on time. Our approach ensures multiple fair chances each semester for passing the courses & keep progressing forward strongly and steadily. A smooth path to graduation.
- **Hands-On, Job-Ready Learning**
 - Build a portfolio of live projects, case studies, and simulations to showcase to future employers.
- **High Quality Education at Affordable Fees**
 - Top-rated university degree at affordable fees with scholarships, EMI with easy payment plans mean everyone can access quality education without financial worries.

*Disclaimer: Participation in campus placement activities is a privilege and not a guarantee or right. The University and its Placement Cell facilitate opportunities by inviting recruiters; however, the final selection, number of offers, and type of roles are solely at the discretion of the recruiting organizations. The University does not assure employment, salary levels, or job profiles to any student. *Disclaimer: The University provides incubation support, mentorship, and networking opportunities to encourage student entrepreneurship. However, funding, investor interest, and the success of any startup depend on external factors beyond the University's control. Neither funding nor venture success is assured; outcomes vary based on the merit of the idea, execution, and market conditions.

*Disclaimer: The tools, technologies, frameworks & other aspects listed here are suggestive pathways for learners' skill development and career progress. These areas are expected to be pursued independently by learners to take ownership of their professional growth and employability.

Smart Learning

Management System - LMS

Your learning, your schedule – made possible through our smart online platform.

- **Live & Recorded Classes**
 - Join weekend or evening live classes or watch recorded videos anytime that suits you. No physical attendance
- **24/7 Learning Materials**
 - Get access to notes, slides, e-books, and journals – anytime, on any device.
- **Ask Questions Anytime**
 - Use the course forums to ask doubts, discuss & get answers from faculty – quickly & easily.
- **Mobile App for Learning on the Go**
 - Study from your phone – revise, attend class, submit work, connect with your teachers & peers.
- **Group Discussion, Work & Peer Support**
 - Join virtual study groups, work together on projects & learn from each other.
- **Track Your Progress Easily**
 - Use your personal dashboard to check grades, deadlines & what to focus on next.
- **Safe & Flexible Online Exams**
 - Write exams from home with full security checks – choose a time slot that works best for you.

Expert Faculty

Why Do an MBA ?

Master of Business Administration

An MBA isn't just a degree—it's a career accelerator. Whether you're aiming to climb the corporate ladder, launch your own startup, switch industries, or enhance your leadership skills, an MBA equips you with the tools to make it happen.

Reasons for doing an MBA* -

- **Career Acceleration** →
 - Faster promotions into managerial/leadership tracks with stronger role mobility.
- **Higher Earning Potential** →
 - Access to premium roles across sectors with better compensation bands.
- **Strategic & Analytical Thinking** →
 - Better decisions using market analysis, data, and financial logic.
- **Leadership & People Management** →
 - High-performing teams through coaching, motivation, and change leadership.
- **Specialization Depth** →
 - Job-ready expertise in Marketing, Digital, Finance, HR, Healthcare, or Analytics.
- **Entrepreneurial Mindset** →
 - Venture readiness to ideate, validate, and scale new business opportunities.
- **Global & Cross-Industry Perspective** →
 - Wider options across geographies and functions.
- **Powerful Network & Brand** →
 - Open doors via peers, faculty, alumni, and industry connects.
- **Applied Learning** →
 - Work-relevant impact through cases, projects, and simulations (details under Program Highlights).

Capabilities You Build*

- **Strategy & problem-solving:**
 - market sizing, positioning, competitive playbooks.
- **Financial fluency:**
 - budgeting, valuation basics, investment appraisal.
- **Marketing & growth:**
 - segmentation, branding, GTM, funnel optimization.
- **People leadership:**
 - hiring, development, performance, culture.
- **Change & crisis management:**
 - resilience, risk, governance.
- **Data-driven management:**
 - KPIs, dashboards, insight-to-action.
- **Executive communication:**
 - business storytelling, stakeholder alignment.
- **Entrepreneurship & innovation:**
 - lean validation, business model design.

Tools & Technologies To Acquire During MBA*

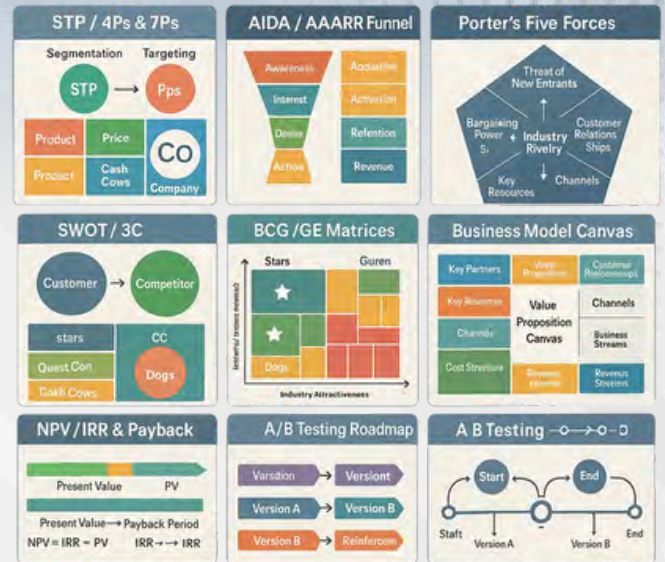

Conventional technologies to learn

- **Spreadsheets (Excel advanced):**
 - Pivot Tables, Power Query, Solver → build financial models, forecasts, dashboards.
- **Presentations (PowerPoint/Google Slides):**
 - visual storytelling, executive decks, data-led narratives → influence decisions.
- **Databases & SQL (concepts):**
 - querying relational data → sharper analytics for ops/marketing/finance.
- **CRM/ERP concepts:**
 - Salesforce/HubSpot, SAP basics → understand revenue pipelines & enterprise processes.
- **Statistics for managers:**
 - hypothesis tests, regression → evidence-based decisions.

Emerging technologies to learn

- **Business Intelligence (Power BI/Tableau/Looker):**
 - interactive dashboards → real-time KPI tracking.
- **Generative AI & Prompting (ChatGPT/Copilot):**
 - research, summarization, content & analysis → 2-5x productivity.
- **Marketing & Growth Tech (GA4, Tag Manager, Ad platform):** measure attribution → optimize ROI.
- **Low / No-code (Power Apps, Airtable/ Zapier):**
 - rapid prototypes → automate workflows.
- **RPA fundamentals (UiPath/Power Automate):**
 - automate routine reporting → fewer errors, faster cycles.
- **Cloud fundamentals (AWS/Azure/GCP):**
 - basic services & data warehousing → speak the language of tech teams.

Useful software tools to learn

- Excel (advanced), Power BI/Tableau, GA4 + Tag Manager, basic CRM (HubSpot/Salesforce concepts), SPSS/JASP or Python (pandas) for analysis, MS Project/Trello/Asana for execution, Notion/Confluence for knowledge, ChatGPT/Copilot for drafting & analysis.

Useful frameworks to learn

- STP/4Ps & 7Ps, AIDA/AAARRR funnel, Porter's Five Forces, SWOT/3C, BCG/GE matrices, Value Proposition Canvas, Business Model Canvas, Balanced Scorecard, OKRs, NPV/IRR & Payback, A/B Testing roadmap, Change Management (ADKAR).

Useful case-studies to analyse

- **HUL rural reach & portfolio strategy** → segmentation & channel economics.
- **Reliance Jio market disruption** → pricing, scale, network effects.
- **HDFC Bank cross-sell & risk controls** → CLTV, credit policy.
- **TCS/Infosys digital transformation plays** → solution selling & utilization.
- **Nykaa / Flipkart / Swiggy-Zomato** → unit economics & omnichannel → CAC/LTV, contribution margin.
- **IRCTC scale & reliability** → ops metrics, demand management.

*Disclaimer: The tools, technologies, frameworks & other aspects listed here are suggestive pathways for learners' skill development and career progress. These areas are expected to be pursued independently by learners to take ownership of their professional growth and employability.

Career Cluster	Sample Roles	Value You Create
Strategy & Consulting	Strategy Analyst, Management Consultant	Solve high-impact problems; shape enterprise direction.

- 2 Fill in your basic details & pay registration fee.
- 3 Start filling Admission Form. Fill in your education details. Upload supporting documents.
- 4 Generate ABC ID/ DEB ID on UGC website mentioned in form. Submit the admission form.
- 5 Pay Semester Fee.
- 6 University will verify documents and eligibility. Estimated Time: Few working days
- 7 Student Registration in University Records. LMS Activation. You would receive LMS credentials through email. ID Card would also be shared.

Frequently Asked Questions

Admission & Eligibility FAQs

- **Q. Are these online degrees legitimate and equivalent to on-campus degrees?**
 - Yes, absolutely. SGT University's (SGTU) online degrees are UGC-entitled and NAAC A+ accredited, making them fully legitimate and equivalent to on-campus degrees. As per UGC guidelines, they hold the same value for jobs and higher education. The degree certificate mentions the mode (Online), but this does not impact recognition or acceptance.
- **Q. Can I pursue these online programs while working full-time?**
 - Yes – these programs are designed with working professionals in mind. Live sessions are usually scheduled on weekends and are recorded for flexibility. Many students successfully balance jobs, family, and study due to the self-paced format.
- **Q. Will my degree mention that it was completed online?**
 - Yes, the degree will mention the mode of learning (Online) in line with UGC policy. However, this does not affect its recognition or validity. Certificate is awarded by SGTU & is fully respected for employment, higher education everywhere.
- **Q. Can I apply for more than one course at the same time?**
 - Yes, you can pursue two programs simultaneously — one in online mode and one in regular mode — provided their class timings don't clash, as per UGC guidelines.
- **Q. What is the maximum duration to complete each program?**
 - You can take up to double the minimum duration: 2-year PG programs must be completed within 4 years | 3-year UG programs within 6 years.
- **Q. What if I need to take a break from the program?**
 - You may take a semester break with prior notice. Rejoining is allowed within the maximum duration. Minimal re-registration formalities may apply.
- **Q. Is there a registration fee for enrollment?**
 - Yes, a one-time registration fee is applicable at time of admission. Refer to the official course page for the amount.
- **Q. Do I need to attend any classes on campus?**
 - No, the entire program — classes, assignments, and exams — is conducted online. No physical attendance required. However, you may choose to attend the on-campus convocation ceremony after completing your degree.

Classes, Curriculum, and Faculty FAQs

- **Q. How are classes conducted in the online mode?**
 - Classes are held online through a Learning Management System (LMS), with live lectures on weekends — typically 4 hours on Saturdays and 6 hours on Sundays. Recordings are made available for flexible access.
- **Q. Do you provide doubt-solving sessions?**
 - Yes, we conduct 30-minute doubt-clearing sessions after each class. Additionally, 15-day revision and doubt-solving sessions are held before exams. Students can also schedule 1-on-1 time with faculty for deeper support.
- **Q. What is the duration of a 1-on-1 doubt-solving session?**
 - Sessions usually last around 30 minutes, but can vary depending on the student's query. If needed, personalized time slots with faculty can be arranged.
- **Q. Will I get a student ID card?**
 - Yes, an e-ID card in PDF format will be issued. You can download and print it for your use.
- **Q. Can I have one-on-one interaction with faculty?**
 - Absolutely. Each student is assigned a mentor, and faculty are available for 1-on-1 support through scheduled appointments or designated mentorship slots.
- **Q. What kind of support will I receive during the program?**
 - Students receive continuous academic and technical support via live classes, recorded sessions, discussion forums, dedicated mentorship, and a 24x7 helpdesk (phone/email/chat).

Frequently Asked Questions

Examinations and Assessments FAQs

- **Q. What is the mode of examination for online students?**
 - Exams are conducted online in a proctored format. You can take them from home using a laptop/PC with a webcam and stable internet. AI tools and live invigilators ensure integrity.
- **Q. Are mock tests provided before exams?**
 - Yes, mock tests are available on the LMS to help you understand the format and environment of online exams.
- **Q. Do I need to visit the campus for exams?**
 - No campus visit is required. Everything — including exams — is 100% online for students enrolled in online programs.
- **Q. What happens if I miss the exam?**
 - You can appear for missed subject in the next exam cycle, but will need to pay the applicable re-exam / re-appear fee.
- **Q. What if I fail in a subject? Do I need to pay again?**
 - Yes, you will need to pay ₹500 per failed subject and reappear during the next semester's exams.
- **Q. Will I be promoted if I fail in a semester?**
 - Yes, promotion to the next semester is allowed even if you fail. However, you will need to clear the pending subjects later.
- **Q. Will I be penalized for late assignment submission?**
 - Assignments follow fixed deadlines. There's no late submission fee, missed deadlines result in loss of marks / grades.
- **Q. What happens if I miss both the exam and assignment deadlines?**
 - You'll need to re-register for the applicable semester, pay applicable exam fee, complete pending components in next cycle.

Placement and Career Support FAQs

- **Q. What kind of career support or placement assistance is provided?**
 - SGTU offers robust career support through personality development workshops, resume-building sessions, LinkedIn profile reviews, communication skills training, and mock interviews. Industry mentors and webinars by experts prepare students for real-world job roles.*
- **Q. Are online students eligible for campus placement drives?**
 - Yes, online learners are invited to participate in campus placement drives. Many placement processes are also conducted virtually for convenience.*
- **Q. Is there a difference between online and offline placement procedures?**
 - No major difference. online placements provide flexibility by allowing companies to interview students from anywhere in India.
- **Q. Do I have to visit the university campus for placement interviews?**
 - No, interviews can be conducted virtually. However, if recruiter conducts an in-person drive, students must attend physically.
- **Q. Is there any placement guarantee?**
 - No university can guarantee placements. However, SGTU provides comprehensive support to maximize your employability and connect you to the right opportunities. Success depends on your effort, skills, and engagement with the process.*
- **Q. What are the real-world career outcomes after completing an online degree?**
 - Each program is aligned with high-demand job roles in sectors such as marketing, analytics, finance, HR, and more. You will graduate with practical project experience and industry-recognized tools that boost your profile.

Fee, Payment, and Scholarship FAQs

- **Q. What is the registration fee for enrollment?**
 - There is a one-time registration fee, payable at the time of admission. The exact amount is provided on the program page.
- **Q. Can I pay the fees in installments?**
 - Yes, EMI (Equated Monthly Installment) options are available to help spread the cost.
- **Q. What are the charges for re-evaluation, re-examination, or late assignment submission?**
 - Re-evaluation and re-examinations are chargeable as per the fee structure (e.g., ₹500 per subject). There is no specific late fee for assignments, but deadlines must be followed.
- **Q. Are there any scholarships or discounts or fee waivers available?**
 - Yes, students can avail fee waivers depending on eligibility. Details are available on website in relevant sections.

General Queries and Miscellaneous FAQs

- **Q. What happens if I fail to complete assignments or exams on time?**
 - In such cases, you'll need to re-register for the next semester and pay the applicable exam fees. However, timely reminders via SMS and LMS notifications help prevent this.
- **Q. Will I get an ID card as an online student?**
 - Yes. You'll receive a downloadable e-ID card in PDF format from the university.
- **Q. How can I reach support if I face any issue?**
 - You can contact our dedicated support system via phone, email, or LMS helpdesk. Separate contacts are available for:
 - General academic/technical support, Faculty-related concerns, LMS or content access issues
- **Q. Can I attend convocation in person after completing my program?**
 - Yes. While the program is fully online, you'll be invited to attend an on-campus convocation ceremony, which is optional but a great way to celebrate your achievement.

*Disclaimer: Participation in campus placement activities is a privilege and not a guarantee or right. The University and its Placement Cell facilitate opportunities by inviting recruiters; however, the final selection, number of offers, and type of roles are solely at the discretion of the recruiting organizations. The University does not assure employment, salary levels, or job profiles to any student. *Disclaimer: The University provides incubation support, mentorship, and networking opportunities to encourage student entrepreneurship. However, funding, investor interest, and the success of any startup depend on external factors beyond the University's control. Neither funding nor venture success is assured; outcomes vary based on the merit of the idea, execution, and market conditions.
