Is This You?

From where you are to where you want to be — we've got you covered.

- **Working Professionals**
 - You've got busy schedule? Study in free hours & upgrade career without leaving job. Earn a credible degree without leaving service — ideal for career growth and future promotions.
- **Fresh Graduates or Students**
 - Start strong with a job-ready degree that helps you get hired faster and stand out in the market.
- **Job Seekers or Career Changers**
 - You're looking to get a higher paying job. Build in-demand industry-relevant skills, switch fields, make yourself more employable.
- **Entrepreneurs or Business Owners**
 - Get knowledge, fresh tools, and expert advice to grow your venture and take smarter decisions.
- **Homemakers & Work From Home Parents**
 - Study from home, at your pace — while managing your family or work-from-home life.
- **Army & Paramilitary Personnel**
 - Frequent transfers? Our mobile-friendly programs move with you — uninterrupted education.
- **Aspirants Preparing for Competition Exams**
 - Minimal pressure, maximum flexibility — earn your degree while focusing on competition prep.

Why Choose Online Education Mode?

- **Comfort & Convenience**
 - No Physical attendance required. Study comfortably from anywhere. Without facing issues of weather, traffic, long-distance.
- **Flexible Scheduling & Better Time Management**
 - Learn when it suits you best — access recorded classes anytime and attend live sessions on weekends or evenings.
- **Cost-Effective & Economical**
 - No travel or hostel costs, no costly textbooks — just quality education at affordable fees with easy EMI options.
- **No Travel for Exams**
 - Write proctored online exams from home — safe, simple, and travel-free, even during heavy rains or remote stays.
- **Learn at Your Own Pace**
 - Play, pause, and repeat lectures as often as needed — until you fully understand each topic.
- **Suitable for Diverse Learners**
 - Suitable for learners with varied orientations, emotional states, educational backgrounds.

About SGT University

Ranked Among the World's Top Universities

SGT University (SGTU), Delhi-NCR is a NAAC A+ accredited, UGC-recognized institution globally certified for offering the best quality education. Offering 200+ programs across health sciences, engineering, management, commerce, and digital domains. We blend academic excellence with innovation, research, and industry partnerships.

Approvals, Accreditation & Rankings

- Being approved from statutory bodies, signifies that SGTU degrees are valid & recognized nationally and internationally.
- Recognized by University Grants Commission (UGC) for offering Academic Programs.
- Entitled by UGC Distance Education Bureau (DEB) for offering Academic Programs in Online Education Mode.
- Member of Association of Indian Universities
- Accredited with one of highest NAAC A+ ratings.
- Officially Certified among the top universities in the world by - Times Higher Education (THE) Impact Rankings and QS.

Online Mode Degree Equivalence to Regular Mode Degree

- The degree obtained through online mode is equivalent to the degree offered through conventional mode as per the Regulation 22 (2020) of University Grants Commission (UGC).
- Public Notice from the University Grants Commission (UGC) is shared here.

F. No.3-5/2022(DEB-IH)
PUBLIC NOTICE
August, 2022
02 SEP 2022

Equivalence of degree obtained through ODL and Online mode with degree obtained through conventional mode

The Regulation 22 of the University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 stipulates as under;

"Equivalence of qualification acquired through Conventional or Open and Distance Learning and Online modes.— Degrees at undergraduate and postgraduate level in conformity with UGC notification on Specification of Degrees, 2014 and post graduate diplomas awarded through Open and Distance Learning mode and/or Online mode by Higher Educational Institutions, recognised by the Commission under these regulations, shall be treated as equivalent to the corresponding awards of the Degrees at undergraduate and postgraduate level and post graduate diplomas offered through conventional mode."

This is for information of the general public, students and other stakeholders.

(Rajnish Jain)

Messages from the Visionaries

Prof. (Dr.) Hemant Verma

Vice Chancellor, SGT University

SGT University has always believed in preparing students not just for degrees, but for life. For over 20 years, we have combined strong academics, industry partnerships, & research to shape capable professionals. SGT Online is our way of extending this quality to learners across India and beyond – in a format that suits their lives. Every online program reflects the same seriousness & standard as our on-campus education. With expert faculty, digital tools, and career-focused content, we aim to deliver learning that is accessible, relevant, and impactful.

Prof. (Dr.) Pulin Saluja

Director, SGT Online

At SGT Online, each online program begins with a single question: Will this help the learner succeed at work? We build every course with careful structure, clear outcomes, and one-to-one support. Learners receive mentorship, up-to-date industry insights, and practical tools—no shortcuts, just well-planned pathways that turn study into real advancement.

Prof. (Dr.) Ajay Bamba,

Deputy Director, SGT Online

Online education has changed lives of thousands of students around the world. At SGT Online, we pair the credibility of a UGC-recognized university with true flexibility. Earn a valuable degree without leaving your job or city, guided by mentors and project-based learning that employers respect. Wherever you begin, we equip you to move forward with confidence.

Why SGT University is An Excellent Choice

- **Globally Certified for Top Education Quality**
 - Having featured in national & international rankings by QS & Times Higher Education (THE) for delivering the best quality education.
- **International Learning Opportunities**
 - Students can benefit from opportunities to go to foreign countries for immersion or exchange programs. Global partnerships with top universities like Utah Tech, University of Kent, Keele University and more.
- **Wide Range of Programs in Tech Enabled Campus**
 - Offering 200+ programs across management, engineering, healthcare, law, computer applications, arts, giving you many career options. Tech-enabled 70+ acre digital learning campus.
- **Strong Research & Innovation**
 - Over 10,000 research publications and advanced research labs help students learn real-world problem-solving skills.
- **Entrepreneurship Support, 50+ Startups Funded***
 - Our ACIC help students turn business ideas into successful ventures.
- **100% Placement Assistance - 275+ hiring partners***
 - Students get strong support from our dedicated career team, helping with placements, interview practice, resume preparation, so getting a job becomes easy. Collaboration with Confederation of Indian Industry (CII) for Industry Alignment of Programs and placements.
- **10,000+ Strong Alumni Network**
 - Successful alumni provide guidance, mentorship, and job opportunities.
- **100+ Events - Masterclasses, Workshops, Competitions**
 - Online education learners are invited to participate in events for professional enhancement (Masterclasses, competitions, hackathons, workshops, industry visits, seminars, webinars and others) and cultural events (Celebrity shows, concerts, festivals and more).

About SGT Online

SGT Online is the online learning division of the Centre for Distance & Online Education (CDOE) at SGT University, Delhi NCR.

With 100% Online, Full-Time Degree Programs, SGT Online delivers the same academic rigor, innovation, and career orientation that define our on-campus experience – now accessible from anywhere in the world.

- **100% Online Mode**
 - Our fully online programs give you the ultimate convenience to learn with full freedom. No Physical attendance required.
- **Flexible Learning - Study from Anywhere, Anytime**
 - Easy-to-use online classes and recordings let you study whenever you have time, fitting easily into your busy life.
- **High Completion Rate - Learners Graduate On Time**
 - Continuous academic support for effective learning, majority learners complete their programs successfully & on time. Our approach ensures multiple fair chances each semester for passing the courses & keep progressing forward strongly and steadily. A smooth path to graduation.
- **Hands-On, Job-Ready Learning**
 - Build a portfolio of live projects, case studies, and simulations to showcase to future employers.
- **High Quality Education at Affordable Fees**
 - Top-rated university degree at affordable fees with scholarships, EMI with easy payment plans mean everyone can access quality education without financial worries.

*Disclaimer: Participation in campus placement activities is a privilege and not a guarantee or right. The University and its Placement Cell facilitate opportunities by inviting recruiters; however, the final selection, number of offers, and type of roles are solely at the discretion of the recruiting organizations. The University does not assure employment, salary levels, or job profiles to any student. *Disclaimer: The University provides incubation support, mentorship, and networking opportunities to encourage student entrepreneurship. However, funding, investor interest, and the success of any startup depend on external factors beyond the University's control. Neither funding nor venture success is assured; outcomes vary based on the merit of the idea, execution, and market conditions.

What Makes Our Programs Special?

- **NEP 2020 based Innovative Programs**
 - Programs designed in alignment with the National Education Policy 2020, emphasizing : Multidisciplinary Learning Approach, Skill-Based, Outcome-Based Edu, Flexible Entry-Exit Options with Credit Transfer Enabled, Holistic & Experiential Learning.

- 3 Start filling Admission Form. Fill in your education details. Upload supporting documents.
- 4 Generate ABC ID/ DEB ID on UGC website mentioned in form. Submit the admission form.
- 5 Pay Semester Fee.
- 6 University will verify documents and eligibility. Estimated Time: Few working days
- 7 Student Registration in University Records. LMS Activation. You would receive LMS credentials through email. ID Card would also be shared.

Frequently Asked Questions

Admission & Eligibility FAQs

- **Q. Are these online degrees legitimate and equivalent to on-campus degrees?**
 - Yes, absolutely. SGT University's (SGTU) online degrees are UGC-entitled and NAAC A+ accredited, making them fully legitimate and equivalent to on-campus degrees. As per UGC guidelines, they hold the same value for jobs and higher education. The degree certificate mentions the mode (Online), but this does not impact recognition or acceptance.
- **Q. Can I pursue these online programs while working full-time?**
 - Yes – these programs are designed with working professionals in mind. Live sessions are usually scheduled on weekends and are recorded for flexibility. Many students successfully balance jobs, family, and study due to the self-paced format.
- **Q. Will my degree mention that it was completed online?**
 - Yes, the degree will mention the mode of learning (Online) in line with UGC policy. However, this does not affect its recognition or validity. Certificate is awarded by SGTU & is fully respected for employment, higher education everywhere.
- **Q. Can I apply for more than one course at the same time?**
 - Yes, you can pursue two programs simultaneously — one in online mode and one in regular mode — provided their class timings don't clash, as per UGC guidelines.
- **Q. What is the maximum duration to complete each program?**
 - You can take up to double the minimum duration: 2-year PG programs must be completed within 4 years | 3-year UG programs within 6 years.
- **Q. What if I need to take a break from the program?**
 - You may take a semester break with prior notice. Rejoining is allowed within the maximum duration. Minimal re-registration formalities may apply.
- **Q. Is there a registration fee for enrollment?**
 - Yes, a one-time registration fee is applicable at time of admission. Refer to the official course page for the amount.
- **Q. Do I need to attend any classes on campus?**
 - No, the entire program — classes, assignments, and exams — is conducted online. No physical attendance required. However, you may choose to attend the on-campus convocation ceremony after completing your degree.

Classes, Curriculum, and Faculty FAQs

- **Q. How are classes conducted in the online mode?**
 - Classes are held online through a Learning Management System (LMS), with live lectures on weekends — typically 4 hours on Saturdays and 6 hours on Sundays. Recordings are made available for flexible access.
- **Q. Do you provide doubt-solving sessions?**
 - Yes, we conduct 30-minute doubt-clearing sessions after each class. Additionally, 15-day revision and doubt-solving sessions are held before exams. Students can also schedule 1-on-1 time with faculty for deeper support.
- **Q. What is the duration of a 1-on-1 doubt-solving session?**
 - Sessions usually last around 30 minutes, but can vary depending on the student's query. If needed, personalized time slots with faculty can be arranged.
- **Q. Will I get a student ID card?**
 - Yes, an e-ID card in PDF format will be issued. You can download and print it for your use.
- **Q. Can I have one-on-one interaction with faculty?**
 - Absolutely. Each student is assigned a mentor, and faculty are available for 1-on-1 support through scheduled appointments or designated mentorship slots.
- **Q. What kind of support will I receive during the program?**
 - Students receive continuous academic and technical support via live classes, recorded sessions, discussion forums, dedicated mentorship, and a 24x7 helpdesk (phone/email/chat).

Frequently Asked Questions

Examinations and Assessments FAQs

- **Q. What is the mode of examination for online students?**
 - Exams are conducted online in a proctored format. You can take them from home using a laptop/PC with a webcam and stable internet. AI tools and live invigilators ensure integrity.
- **Q. Are mock tests provided before exams?**
 - Yes, mock tests are available on the LMS to help you understand the format and environment of online exams.
- **Q. Do I need to visit the campus for exams?**
 - No campus visit is required. Everything — including exams — is 100% online for students enrolled in online programs.
- **Q. What happens if I miss the exam?**
 - You can appear for missed subject in the next exam cycle, but will need to pay the applicable re-exam / re-appear fee.
- **Q. What if I fail in a subject? Do I need to pay again?**
 - Yes, you will need to pay ₹500 per failed subject and reappear during the next semester's exams.
- **Q. Will I be promoted if I fail in a semester?**
 - Yes, promotion to the next semester is allowed even if you fail. However, you will need to clear the pending subjects later.
- **Q. Will I be penalized for late assignment submission?**
 - Assignments follow fixed deadlines. There's no late submission fee, missed deadlines result in loss of marks / grades.
- **Q. What happens if I miss both the exam and assignment deadlines?**
 - You'll need to re-register for the applicable semester, pay applicable exam fee, complete pending components in next cycle.

Placement and Career Support FAQs

- **Q. What kind of career support or placement assistance is provided?**
 - SGTU offers robust career support through personality development workshops, resume-building sessions, LinkedIn profile reviews, communication skills training, and mock interviews. Industry mentors and webinars by experts prepare students for real-world job roles.*
- **Q. Are online students eligible for campus placement drives?**
 - Yes, online learners are invited to participate in campus placement drives. Many placement processes are also conducted virtually for convenience.*
- **Q. Is there a difference between online and offline placement procedures?**
 - No major difference. online placements provide flexibility by allowing companies to interview students from anywhere in India.
- **Q. Do I have to visit the university campus for placement interviews?**
 - No, interviews can be conducted virtually. However, if recruiter conducts an in-person drive, students must attend physically.
- **Q. Is there any placement guarantee?**
 - No university can guarantee placements. However, SGTU provides comprehensive support to maximize your employability and connect you to the right opportunities. Success depends on your effort, skills, and engagement with the process.*
- **Q. What are the real-world career outcomes after completing an online degree?**
 - Each program is aligned with high-demand job roles in sectors such as marketing, analytics, finance, HR, and more. You will graduate with practical project experience and industry-recognized tools that boost your profile.

Fee, Payment, and Scholarship FAQs

- **Q. What is the registration fee for enrollment?**
 - There is a one-time registration fee, payable at the time of admission. The exact amount is provided on the program page.
- **Q. Can I pay the fees in installments?**
 - Yes, EMI (Equated Monthly Installment) options are available to help spread the cost.
- **Q. What are the charges for re-evaluation, re-examination, or late assignment submission?**
 - Re-evaluation and re-examinations are chargeable as per the fee structure (e.g., ₹500 per subject). There is no specific late fee for assignments, but deadlines must be followed.
- **Q. Are there any scholarships or discounts or fee waivers available?**
 - Yes, students can avail fee waivers depending on eligibility. Details are available on website in relevant sections.

General Queries and Miscellaneous FAQs

- **Q. What happens if I fail to complete assignments or exams on time?**
 - In such cases, you'll need to re-register for the next semester and pay the applicable exam fees. However, timely reminders via SMS and LMS notifications help prevent this.
- **Q. Will I get an ID card as an online student?**
 - Yes. You'll receive a downloadable e-ID card in PDF format from the university.
- **Q. How can I reach support if I face any issue?**
 - You can contact our dedicated support system via phone, email, or LMS helpdesk. Separate contacts are available for:
 - General academic/technical support, Faculty-related concerns, LMS or content access issues
- **Q. Can I attend convocation in person after completing my program?**
 - Yes. While the program is fully online, you'll be invited to attend an on-campus convocation ceremony, which is optional but a great way to celebrate your achievement.

*Disclaimer: Participation in campus placement activities is a privilege and not a guarantee or right. The University and its Placement Cell facilitate opportunities by inviting recruiters; however, the final selection, number of offers, and type of roles are solely at the discretion of the recruiting organizations. The University does not assure employment, salary levels, or job profiles to any student. *Disclaimer: The University provides incubation support, mentorship, and networking opportunities to encourage student entrepreneurship. However, funding, investor interest, and the success of any startup depend on external factors beyond the University's control. Neither funding nor venture success is assured; outcomes vary based on the merit of the idea, execution, and market conditions.
